

Course Access: Preparing Missouri's Students for the Future

Published on *Show-Me Institute* (<https://showmeinstitute.org>)

By: *Emily Stahly*

Missouri students are falling behind because not all schools can offer critical courses necessary for college and career readiness. But there is a solution. It's called Course Access, and it allows students to take advanced courses such as physics and calculus. Isn't it time Missouri invests in our students' future?
