By: Jonah Goldberg

Does Western culture face a crisis because of its failure to defend liberty against ideological forces of the past? In his new book, *Suicide of the West: How the Rebirth of Tribalism, Populism, Nationalism, and Identity Politics Is Destroying American Democracy*, Jonah Goldberg describes what he calls the West's suicidal tendency to surrender to tribal and nationalist forces from both the left and the right. In this video, Goldberg argues that a renewed commitment to classical liberal values can preserve the principles that have guided the progress of Western civilization for centuries.
