

Public Employee Pensions in Missouri: A Looming Crisis

Published on *Show-Me Institute* (<https://showmeinstitute.org>)

By: Andrew G. Biggs

The Missouri State Employees Retirement System (MOSERS) has seen its funding health decline in recent years even as the required government contributions to the plan have increased. Policymakers are searching for ways to reform public employee pensions to control costs and mitigate risks to government budgets while at the same time maintaining retirement programs that serve retirees.
